

Notice

The Public Service Commission have seriously noted the series of news published in a Bengali Daily questioning the functioning and activity of the Commission as also the working mode of its officers and employees which are not only astonishing but misleading and baseless also and likely to cause misgivings in the public mind regarding the functioning of the Commission as enshrined in the Constitution of India.

The Commission strongly condemns such activities on the part of the publication house which may bring dismay to the hope and aspiration of the millions of unemployed youth in the State of West Bengal seeking job opportunities through various competitive examinations conducted by the Public Service Commission, West Bengal.

By order of the Commission.
